

## To Change the World

To change the world, we must first change our thoughts.  
To change our thoughts, we need a new vision.  
To create a new vision all we need do is imagine.  
Will you help me change the world?

*Imagine a world at peace.*  
Where neighboring countries and neighbors  
Do all they can to help each other help themselves  
And keep each other safe.  
*A world at peace*

*Imagine a world of abundance*  
Where Mother Earth and all Her inhabitants  
Have their every need fulfilled  
And there is plenty for all.  
*A world of abundance*

*Imagine a world of love*  
Where every country and everyone  
Respects the rights of all, human, animal, plant  
And all know they are needed and loved.  
*A world of love*

*Imagine a world fulfilled*  
Where every country and everyone  
Knows they have special gifts to share with each other  
And all know that they each have a purpose.  
*A world fulfilled*

Imagine  
*A world at peace...*  
*A world of abundance...*  
*A world of love...*  
*A world fulfilled...*
